Parent Portal Login Instructions

Here are a few quick steps to allow you to log in to Parent Portal and check on your grades and attendance:

On any computer with the internet, go to the SEC website: www.swecollege.org

Click on the Parent Portal link on the left

The user ID is <your 6 digit student number> (for example: 123456)

The password is <first initial><last initial><birthdate: mmddyy> (for example: ss010293)

If for any reason this log in does not work, for instance if someone tries to log into the system 3 times in a row with an incorrect password and the system locks you out, and you will need to contact Sean at the school to reset the password.

Once you log in you can access attendance by clicking the attendance option on the left.

To access grades, you just need to look at the schedule and then click the class name to see the current grade and status of assignments.

If there are any questions or if you need any help, please feel free to contact me and I will help get access set up for you.
